CampaignerCRM Link for Gmail

Easily and accurately synchronize your Gmail Contacts and Emails with CampaignerCRM™

CampaignerCRM Link for GMail™ makes it easy to automatically synchronize your Google Gmail contacts and related email communications with CampaignerCRM. You'll always have up-to-date access to the actual related email communications and follow ups, as well as each attachment, document and more.

Now, whether you're in the office or on the road, you'll have up-to-date access to the actual email communication, keeping you up to date on the latest conversations, proposals, and next steps

Full integration for automatic contact synchronization

CampaignerCRM Link for Gmail ensures accurate synchronization of your Gmail Contacts with CampaignerCRM to maintain information consistency and eliminate the need for duplicate data entry. You can also capture all of your related email communications, email attachments and more, directly into CampaignerCRM's Interactions tab.

Capture, track and access actual related emails and more

CampaignerCRM Link for Gmail keeps you informed and up-to-date by bringing into CampaignerCRM every customer communication. Duing each synchronization, whenever an email is sent or received through your Gmail account, CampaignerCRM Link automatically creates a copy of the actual email to the corresponding Account and Contact Interactions tab. You'll have an at-a-glance view of the actual emails, including attachments.

CampaignerCRM Link for Gmail makes it easy to keep all your customer communication and contact information in a single, synchronized, and centralized location.
